The Verdict

Foreword

As we are indebted to our forefathers for establishing a free and democratic government in America, we are indebted to the courts of law for maintaining that freedom.

In this nineteen-sixty Sagittar we are, therefore, using the theme of **JUSTICE**, and, in doing so, apply it to our present-day system of free education.

Because **JUDGES** direct our courts, determining the fundamental points of law, we thought it only proper that they should represent the **ADMINISTRATION**; since the administration is the head of the school, determining the fundamentals of education.

Because the **BAILIFFS** guard the courts, it is only proper that they represent the **FACULTY**; for the faculty is the guardian of free education.

The **LAWYERS** interpret the law to insure everyone of an equal chance for justice; while **STUDENT GOVERNMENT** regulates activities to provide all with a well-rounded education.

We used the **COURT CLERK**, who records all transactions, to represent the **SENIORS**, who record four years of fun and enjoyment.

While the **JURY** reviews the facts of a case, the **UNDERGRADUATES** review their past year.

Just as evidence is used in concluding a case, **ACTIVITIES** show evidence of a well-rounded curriculum . . . and since a court trial requires some kind of **FINANCE**, we must not forget our **ADVERTISERS**, who furnished the foundation for Your 1960 Sagittar.

As you turn the pages, we truly hope you will enjoy this book.

Sincerely,

Sherry Walker

Dedication

You, Mr. Post, are now on trial. Are you guilty for
the outstanding work done as advisor of the yearbook
and Business Coordinator? Are you prepared to take the
stand in your defense?

Judge: Will Mr. Elmer B. Post Junior please take the
stand?

Lawyer: You are a teacher at Baldwin Park High School,
is that correct?

Witness: Yes, that is correct. I have taught Business
Education for four years and the last three years
served as advisor to the Sagittar. This year I am
Department Coordinator.

Lawyer: What education did you have?

Witness: I spent some time at the Biarritz American Army
University and then went on to Mt. San Antonio Col-
lege where I served on the newspaper as business
manager. I graduated from San Jose State College
with a B.A. Degree and then went to U.S.C. to do
graduate work.

Lawyer: Have you had any business experience outside
of teaching?

Witness: Yes sir, for several years I was associated with
my father in his business.

Lawyer: What experience did you have before coming
to Baldwin Park?

Witness: I spent one year at Oxnard, one year at Ingle-
wood, and two years as teaching assistant at U.S.C.

Lawyer: While at college were you a member of any
fraternities?

Witness: Yes, in May of 1951 I joined Beta Gamma
Sigma, Beta Chapter; in July of 1952 I became a
member of Phi Delta Kappa, Alpha Epsilon Chapter;
and in February of 1953 I was awarded member-
ship in Alpha Kappa Phi, Alpha Zeta Chapter.

Lawyer: No further questions.

Judge: The witness will now step down and hear the
court's decision.

Working behind your back, the staff along with the
publishers planned this surprise for you. Your being the
unconcerned victim of the photographers' flashbulbs
enabled us to get these pictures of you as you went
about your work.

Mr. Elmer B. Post, Jr., you are hereby found guilty
for your outstanding work as advisor of the year-
book and Business Coordinator. We the staff and student
body find you truly deserving of the honor and so to
you we dedicate with great admiration, this 1960
Sagittar.

After a hard day's work, Mr. Post enjoys a bit of relaxation.

Working diligently on layouts, Mr. Post assumes his usual position.

Administration

As the **JUDGE** is a magistrate of the court appointed to determine points of law and uphold the rights of man, so the **ADMINISTRATION** is appointed to determine the fundamentals of education and insure everyone of an equal chance for a free education.

FEW CAN APPRECIATE the time, thought, and careful analysis given to administering the Covina Union High School District by Superintendent Stanley B. Shaver, the district's administrative team and the Board of Trustees.

Baldwin Park High School as a part of this district can attribute its progress to the diligence and devotion of these administrators for it is they who are responsible for the curriculum, hiring of personnel, financial backing, recommendations to the Board of Trustees for changes, and the general operation of the district according to a preconceived plan.

Charged with the responsibility of seeing that students and adults in the district had the opportunity to further their educational goals, our superintendent, his staff, and the Board of Trustees did everything possible to make the various schools in the district the best possible places for them in which to both work and play.

As the Covina Union High School District comes to a close on July 1, 1960, we of Baldwin Park High School wish to thank Superintendent Stanley B. Shaver, his administrative team and the Board of Trustees for their guidance in helping us achieve our individual educational goals.

RAGENE A. FARRIS
Assistant Superintendent—
Curriculum and Instruction

HORIZONTAL ARTICULATION of curriculum and its development within the various schools and their departments was a major part of the work of Assistant Superintendent Dr. Ragene Farris. This program was furthered through district wide coordination meetings, discussions held with high school coordinators and principals and through meetings with individual high school departments and their members.

Recruitment and selection of personnel was administered by Dr. Donn E. Bair as Coordinator of Personnel. As the district grew this phase of administration became more and more important . . . the procurement of well trained teachers.

Mrs. Blanche Ekeroth coordinated the district counseling program and directed department and school testing surveys.

Final development of buildings and grounds prior to the close of the Covina High School District on July 1, 1960, kept Mr. George Caldwell busy throughout the year.

Directing the purchase of school equipment and supplies throughout the year and meeting last minute deadlines was Mr. Walter L. Naiman, Coordinator of Purchases.

T. K. GORRELL
Principal

GUIDING AND DIRECTING the educational program of Baldwin Park High School, T. K. Gorrell as principal worked harmoniously with teachers, other school administrators, Superintendent Stanley B. Shaver, and his administrative staff.

As principal he was directly responsible for all areas in the general running of the school. His policy may be characterized as "The Open Door" . . . students, their parents, and all staff members were free to discuss their requests and suggestions, complaints or criticisms. Working together insured the success of Baldwin Park High School as an educational institution.

Vice-principal Jesse Niemela had among his varied duties the supervision and discipline of BPHS boys. He conferred with parents concerning boys' problems and supervised the keeping of disciplinary records for boys.

Vice-principal Patricia Holt wisely counseled BPHS girls conferring with the parents as the need arose. As girls' vice-principal she supervised the service point system for girls and girls' organizations.

Norman Whisenand, Director of Attendance made innumerable home calls to investigate the underlying causes for school absences and supervised the compilation of attendance records for the district office.

To promote friendship and to encourage and maintain the students' objectives has been the great desire of the school administration.

FURNISHING STUDENTS with an ideal environment for study, pleasure reading, and materials for research, our library stands out as one of the most useful facilities of Baldwin Park High School.

Our new librarian, Miss Anne Harris, courteously locates reference material and instructs students in the proper use of the library so that it may be used to its best advantage. In addition to her usual responsibilities, Miss Harris handles scholarship applications. She is assisted in her duties by Mrs. Shine, text book clerk, and by Mrs. Stover, library clerk. The student library helpers are instructed in the library training class where they are taught how to be of service to both students and faculty.

The library's materials may be used for various purposes by different students. To the student working on a research paper it offers books, encyclopedias, newspapers, pamphlets, and magazines which are found through the use of the Readers' Guide. To the student in social science classes working on occupational reports, the vocational files offer unlimited information while those desiring fiction and non-fiction books for pleasure and reports find that the library provides a wide variety of subjects from which they may make their selection.

Mrs. Arlene Shine, library-clerk, checks out a novel to Pat Oncea.

Student Government

As the **LAWYERS** represent the law to insure everyone of an equal chance for justice, **STUDENT GOVERNMENT** regulates campus clubs, organizations and various other activities, providing each student with a well-rounded education.

WORKING TOWARD the betterment of the school and regulating the various activities on campus is Student Government. Under the leadership of Mr. Rowe, Connie Olafson and her cabinet planned and started a new project, Operation Swimming Pool. The first money making activity toward this project was selling tickets to the opening football game. Prizes were offered to the students selling the most tickets, and during the football games an old bathtub was used for donations.

All through the year Student Government sponsored many other activities. A great deal of planning went into Homecoming and following that, they sponsored Operation Big Switch, at which time the students took over the jobs of public officials and classroom teachers. Traffic Safety Week required extensive planning. During the week they presented a car safety check, a mall display of a wrecked car, and a tire changing contest for girls as well as boys.

Our rallies, assemblies, and clubs are also regulated by Student Government. Under the careful guidance of Connie Olafson, this year was filled with well planned activities to insure everyone enjoyment.

Legislature

THE LEGISLATIVE BODY of our school consists of four representatives from each class. Their undertakings included the clean campus campaign and boosting school spirit.

Their area of responsibility is to regulate all campus activities, appropriate money, pass rules and regulations for activities, and to charter campus clubs.

Throughout the year they worked hand in hand with the president and cabinet.

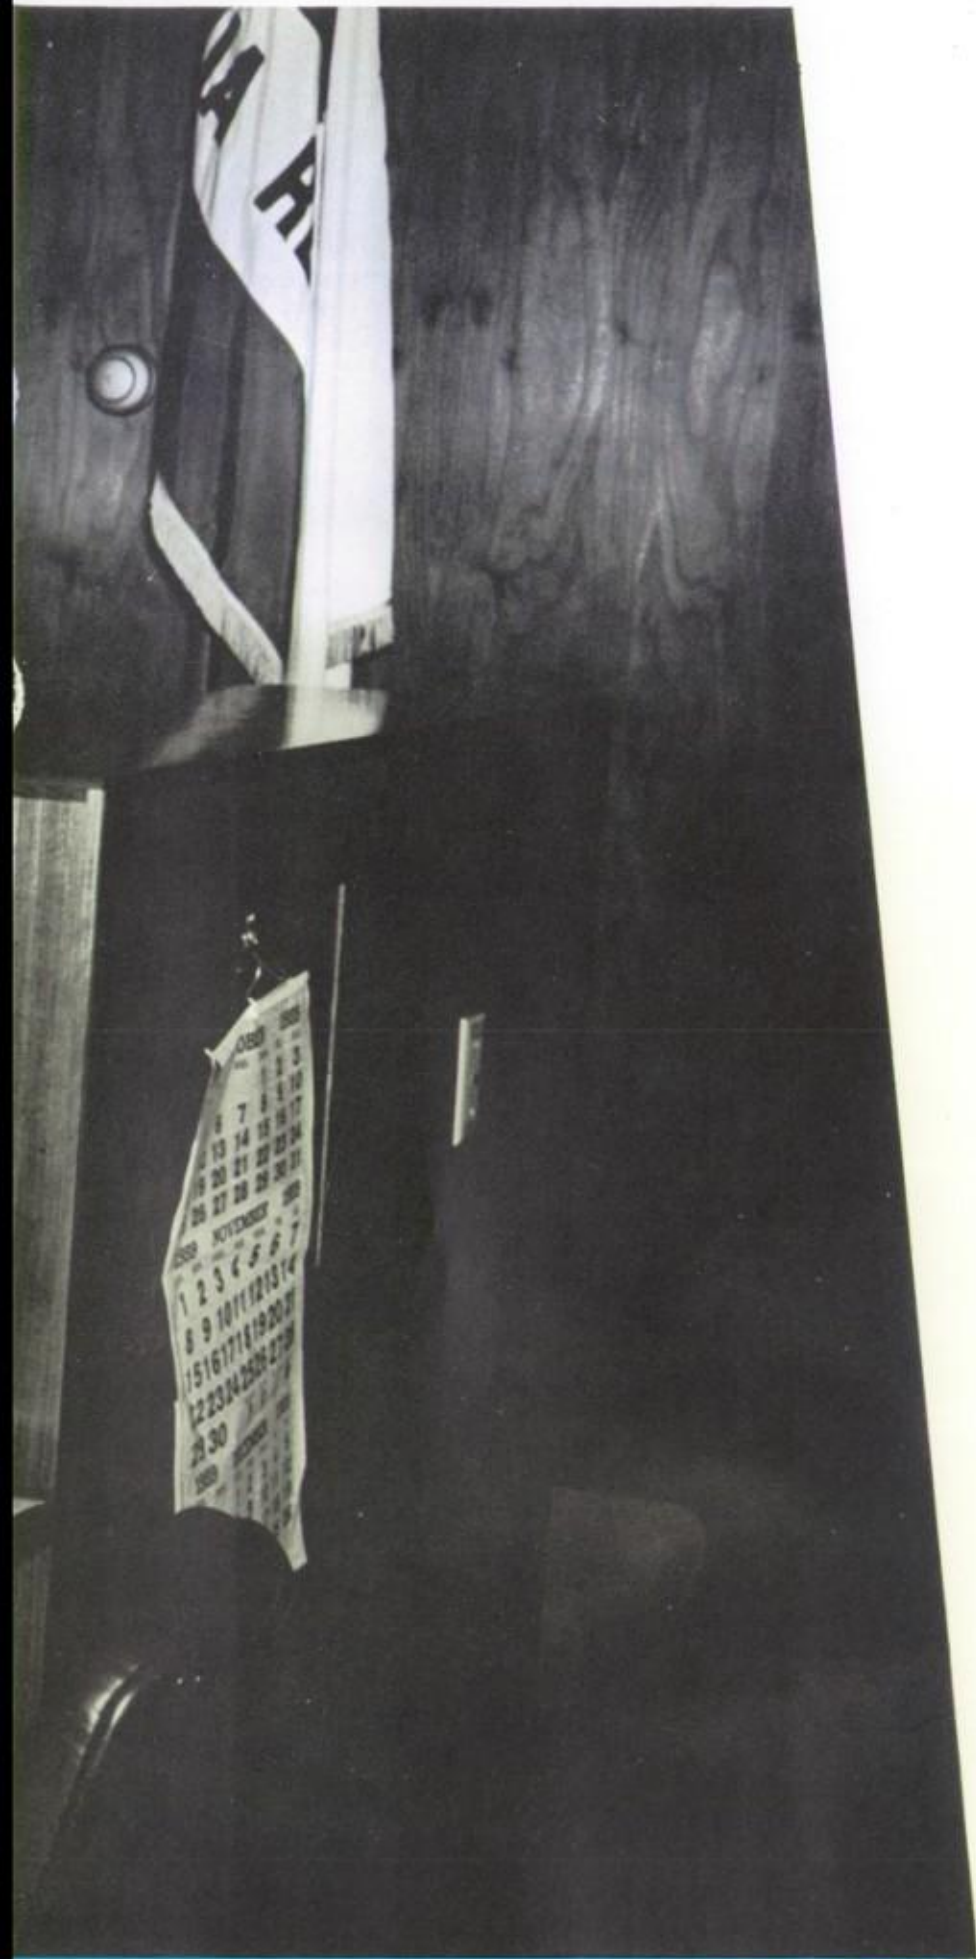

Student Court

THE JUDICIAL BODY of our school consists of five boys and five girls chosen by the legislature from the Junior and Senior classes. Student problems are forwarded to them through the respective vice-principals' offices. The group has no advisor and functions on their own. If a student has been summoned to student court he can be sure that he will be dealt with fairly and expeditiously. Student offenders come to feel "the heavy hand of justice."

Seniors

Looking over the model of the Senior Showcase are Sherry Walker, Ronnie Lewis, and Virginia Delgado.

THE SENIOR YEAR is the most important year in school. For three years students have been preparing and as they become Seniors they find the year filled with activities. Besides the annual Junior-Senior Prom given in their honor by the Junior Class, this year a Senior Career Day and a Senior Dance and Banquet were added. When graduation rolls around, the Senior Luncheon, Recognition Banquet, Senior Mothers' Tea, Senior Picnic, Senior Party, and Baccalaureate are only a few of the activities that keep them busy.

Privileges of the Senior Class through the year included a Senior Lunch area, to be furnished with tables and benches in the future, and a Senior Showcase, used for notices and announcements.

A new project, Operation Swimming Pool, was spurred on its way by the participation of the Senior Class.

Undergraduates

As the **JURY** is a body of people chosen to review facts, weigh the evidence, and decide upon the truth, the **UNDERGRADUATES** review a year of activities and weigh the evidence of a year's hard struggle.

Kay McFarland
President

Row 1: Linda Jordan (Treasurer), Charlene Jukes (Secretary). Row 2: James Hurst (Secretary of Activities), Miss Schuelke (Advisor), Bob Cummins (Vice President).

THROUGHOUT THE YEAR the Junior Class sponsored many activities and worked in the concession stands during football games to earn money for the Junior-Senior Prom. Other activities included the All-School-Skate and the Junior Play. Juniors received their class rings in the Spring semester.

Row 1: S. Hines, P. Williams, K. Jaspersen, B. Alfaro, P. Brundage, J. Freberg, P. Tracht. Row 2: J. Burgess, J. Chester, D. Hackney, P. Davies, B. Lonie, M. Stowell, R. Donnelley, N. Francis, R. Jarvis, B. Bordonardo, S. Wood, M. Nicholson, D. Clifford, I. Ouber, W. Nash.

SADIE HAWKINS DAY and dance highlighted the Sophomore year. Features of the dance were a marriage booth and a fortune telling booth. For those who wanted to get divorced, there was also a divorce booth. Couples dressed according to custom. Other events throughout the year were a sock hop and the All School Swim.

Activities

As **CLUES** are often valuable in obtaining evidence we must not forget the **ACTIVITIES** that made our year one of fun and enjoyment, spirit and competition, giving us a well-balanced and well-rounded education.

Virginia Delgado
Editor

Bruce Lonie, Sports Editor, discusses the important shots needed for the sports section with photographers, Gary Welborn and Clayton McKinney.

Sagittar Staff Works Toward

Monnie Lenderman, Sherry Walker and Virginia Delgado scan one of hundreds of sample yearbooks from other schools on display at Yearbooks, Inc.

PRODUCING THE 1960 Sagittar has been a real challenge for the members and advisor of the Sagittar Staff. The goal was to produce a Sagittar completely enjoyable for every student, parent, faculty and administration member.

For Editor Virginia Delgado and Associate Editor Sherry Walker the planning commenced with the selection of a theme around which they could thread Baldwin Park's many school activities. The second phase of production in which all staff members participated involved planning the books layout, showing where each picture and each writeup fits into the over all plan. Those uninitiated in the printing world acquired a rich fund of information on their visits to Yearbooks, Incorporated, publishers of the Sagittar, and UCLA Journalism Day where members were shown new methods of approach on every phase of yearbook production.

As the weeks and months rolled by organizations editor Monnie Lenderman and her assistant Nancy Douglas completed the layouts and copy for their respective section. Sports editor Bruce Lonie not only planned his section but covered the sports events necessary to complete his copy. Photographers Gary Welborn, Clayton McKinney, and Gordon Brizendine were called upon at all hours of the day and night to meet the picture assignments called for in the Sagittar layout. As the final pages of the Sagittar were turned in and correction of galley proofs and blueprints were completed, the staff and its advisor looked forward with mingled pride and relief to the finished book which would be delivered in June.

Bruce Lonie, Donna Grant and Linda Taylor work diligently to meet deadlines.

Terry Cariker and Leo Dixon, photographers, load flashgun in preparation for assignment with the Booster's gift, a Speed Graphic press camera. Mary Griggs listens carefully to special instructions from Janice DiLazzaro (not shown), next year's editor-elect.

THE SILVER STREAK STAFF, established to develop students interest in journalism and to acquaint them with the newspaper world, is happy at the success of their first full year of reduced, tabloid print.

Publishing sixteen times during the school year, including a sixteen pager, the combined classes of first and second period journalism, energetically strived to make each bi-weekly issue of the paper a little better than the last. News, sports, features, and editorial specialists blossomed as the year sped by.

Thirty-four journalists comprise the considerably larger staff, proving their ability and school spirit in the night work sessions, as well as in the many other school activities carried on at Baldwin Park High School.

Journalism Day at the University of Southern California (at which time the Quill and Scroll Chapter was re-activated), UCLA Journalism Day, N.A.J.D. writing tournament, and a fine coverage in the Herald Express, were among the many "firsts" for this year's staff.

Buzz, buzz, buzz, and happy laughter comes from the Silver Streak Staff as they plan assignments for the next edition. Unmistakably, Janice Littlefield (center) with hand raised has a suggestion.

P. T. A.

THE P.T.A. is an organization which devotes itself to parent-teacher relations and the furthering of school prestige. This year's theme "Action Plus" was carried out appropriately by a year filled with action.

This year, for the first time, the P.T.A. helped sponsor two one-hundred and fifty dollar scholarships, which were presented to Ronnie Lewis and Sherry Walker at the annual P.T.A. council luncheon.

The highest honor given to any P.T.A. member is the Honorary Life Membership. Past winners have been Ted K. Gorrell, principal, in 1956; Mrs. Francis Herner, former librarian, in 1957; Mr. Robert Greenwell, Band Director, in 1958; and Mr. A. C. "Tex" Farr, clerk on the Board of Trustees of the Covina Union High School District, in 1959. This year's winner of the Honorary Life Membership was Mrs. Patricia Holt, Vice-Principal.

Additional activities carried on throughout the school year by the Baldwin Park High School Parent-Teachers Association were a nylon stocking drive to aid Japanese War Widows, a membership drive (a percentage of funds from this drive was donated to Operation Swimming Pool), and a home talent show entitled "Shenana-gins" featuring "Folks Around Town." The P.T.A., as in the past also manned the refreshment stand at the pre-season Boosters Club football game.

Varied School Projects

BALDWIN PARK'S BOOSTER CLUB undertook new projects during the school year 1959-60. Mr. John Sampson, and Student Body President Connie Olafson introduced project "Operation Swimming Pool" at a rally held during the opening weeks of school.

The Boosters Club's first fund raising project for the year was selling tickets for the first non-league game of the football season. Receipts for the game netted approximately \$2,000. As an added inducement in ticket sales, a portable television and a portable radio were presented to the students who sold the most tickets. Winners were Sally Gustafson and Rusty Mitchell, respectively.

In October, the Boosters Club held a "goblin" Pancake Breakfast at Morgan Park, claiming "all you can eat" for sixty-five cents.

In December with the help of the Lettermen, Boosters Club members and their wives sold Christmas trees. This project again added revenue to the club treasury.

April saw a second pancake breakfast in Morgan Park. Chef specialists Sam Kerman and T. K. Gorrell served hundreds of hungry mouths from 7:30 to 12 noon on both Saturday and Sunday.

A much needed Speed Graphic Press Camera was donated by the club to the Silver Streak Staff. Gordon Brizendine accepted the award on behalf of the staff and its advisor Mr. Pat Shields.

In the past the Boosters Club's projects have been: Operation Lights, a Football Scoreboard, the Press and Announcers Booth and the Baseball Dugouts.

OPERATION BIG SWITCH, sponsored by Student Government, is an annual event conducted to develop leadership, bring closer co-operation between students and faculty, and city administrative officials. Approximately one-hundred fifty students took their places in different positions throughout the school system and in city offices.

Officials explained to students the duties and responsibilities of their positions. The students then fulfilled the assigned job for the balance of the day.

Dr. Sims explains that medicine requires skill of the mind and hands.

From Cal Poly, Mr. McLoachlin discusses agriculture.

Discussed On Senior Career Day

No other job gives more satisfaction than working for the church, says Mr. Liechty.

A sense of dignity and a certain amount of intelligence are required for dentistry, so stated Dr. Leonard.

CAREER DAY LECTURERS came from many walks of life to inform students in their respective fields. Some of the points discussed were training and education, opportunities, pay, security, and advantages and disadvantages in the various employment fields. Almost all stressed the need for a high school education and some for a college education.

Representing the Bank of America, Mr. Keefer gave a talk on opportunities in the banking field.

Mr. Delap, Mr. Brown, and Mrs. Liechty said, "Church workers need the ability to get along with people."

Girls' League Enlivens Campus

Row 1: D. Palmer (Treasurer), G. Dodd (Secretary). Row 2: P. Wimberly (Vice President), Esther James (President), J. Bonham (Vice President).

VARIED ACTIVITIES PROVIDE numerous opportunities for B.P.H.S. girls to participate in Girls' League. All girls automatically become members upon entering high school. The Friday night before school starts, all girls and their little sisters (freshmen) are invited to meet one another at the "Big and Little Sister Party". This party provided an opportunity for new girls to ask questions and find out what high school is all about. Later in the year "The All Girls Revue" gave the girls the chance to display their talents. This year's theme "Flashbacks", was based on the movies. The Christmas Formal is one of the biggest events of the year. It is looked upon by league members as a "girl ask boy affair." A Date with Dad Party concluded the year's activities. Girls invited their dads for a pot luck dinner and games afterward.

The Girls' League Board consists of representatives from each class and club, besides the elected officers.

SNOWFLAKES RHAPSODY was the theme of the yearly Christmas Formal sponsored by the Girls' League. White parachutes covered the ceiling to give the effect of clouds while red parachutes lined the back wall and quilted aluminum covered the front and side walls. To carry out the theme, snowflakes hung from the mezzanine. The stage was decorated with the name of the band, and snowflaked music notes covered the walls. Little Christmas trees, decorated with balls and tinsel, were spread around the stage while card tables set around the dance floor gave it the effect of a night club.

During the night Kirsten Lauridsen and Ken Campbell were chosen as King and Queen, and a door prize was given.

The Stardusters, under the direction of Keith Williams, played throughout the night to make it a Christmas Formal that will never be forgotten.

Her Majesty Queen Kay Reigns

Connie Olafson adjusts Queen Kay's crown.

RUFFLES, FORMALS, AND FANCY LACE marked one of the most memorable events of the year as the annual HOMECOMING welcomed Alumni back to school.

Nominated by the various organizations on campus were the lovely candidates for queen. Several weeks before the official event, the campus was covered with posters, as each girl hoped to be the lucky one. After the election the seven girls were chosen, but the name of the queen was withheld until the Rally on Homecoming Day. During the rally, suspense mounted until finally Mr. Musick announced that the queen was Kay Williams, a lovely blue-eyed senior.

During the pre-game activities the Braves Band marched around the football field in parade style followed by the drill team and the queen. As the band formed the traditional heart during the half-time ceremony, the drill team formed the right and left aisles through which the princesses walked. While the band played "Sweetheart of Sigma Chi" each princess with her escort entered into the center of the heart. The queen was attended by a fanfare and drum rolls as she and her escort walked through the arch of majorette batons, where she was officially crowned "Her Majesty Queen Kay" by Ronnie Lewis.

Homecoming Day ended with the traditional dance welcoming the returning alumni and honoring the queen and princesses.

RALLIES AND ASSEMBLIES provided entertainment as well as education.

Rallies were held before almost all football games in the bleachers on the football field, boosting the spirit of the players and encouraging participation at the games. The song and cheerleaders played an important part in these rallies by leading yells and songs. Operation Swimming Pool was launched on its way by a Student Government sponsored rally, featuring a demonstration of swimmers in a play wading pool. Several surprise rallies were held throughout the year during Brunch.

Assemblies were mostly educational, although some were mere enjoyment.

Dr. Humbert, an authority on the past presidents, gave a very interesting talk called "The Pageant of Presidents," on their good points and contributions.

A Christmas Assembly, featuring the vocal groups, orchestra, and a one act play, was one that proved entertaining. The Girls' Glee presented an assembly entitled "A Minstrel Show." Don Adams, a student, played several outstanding numbers on his drums. Separate assemblies for girl and boys were also held, at which time different speakers gave talks on subjects of interest to each. One such speaker was Georgiana Hardy, an authority on teenagers, who gave an interesting and inspirational talk on teenage problems.

Sock Hops Were Enjoyed By Many

THROUGHOUT THE YEAR various clubs sponsor sock hops after the football and basketball games. At almost every sock hop Mr. Smith can be seen D-J'ing with his fabulous collection of records.

Since they are popular with all the students and are always looked forward to as a kind of informal gathering, sock hops have become a traditional part of high school life.

Luau And Valentine Dance . . .

MANY COUPLES SWAYED to the music of Don Alexander and his combo at the annual LUAU sponsored by Future Business Leaders of America. This year students donned authentic Hawaiian costumes and leis. Highlighting the event were door prizes and prizes for the most appropriate costumes. The theme was carried out with aptly arranged fish nets, shells, and flowers which created a truly Hawaiian atmosphere.

Music proved enjoyable as couples swayed to the rhythm of Dick Comstock, Don Alexander, and Rick Barnes.

Prizes for the most appropriate costume were won by Rusty Mitchell and Nancy Holley.

... Left Couples Ecstatic

During a break couples relaxed at the refreshment stand.

CUPID'S PARADISE ushered in the annual Valentine Dance at the B.P.H.S. gym. Vickie Taylor and Allen Wilkins were crowned King and Queen. Musical entertainment was provided by the Temple City Tempos while Cupids and Hearts intermingled with many happy couples for a truly enjoyable evening.

The Temple City Tempos played on as couples danced late into the night.

All Girls Revue Ran Wild

"FLASHBACKS," theme of this year's "All Girls' Revue," sponsored by Girls' League, proved successful under the watchful eye of Mrs. Holt. Based on the movies, the different acts brought back fond memories to the director, Kathleen Machinski and her secretary, Carol Hewitt.

Modern dance featured dragons and cats in "I Dreamed."

"Yakity Yak, Don't Talk Back" was pantomimed by the Five Knights.

Richard Gilman, Barry Du Bois, Pat Brundage and Charlene Jukes rehearse for the suspenseful Junior Play.

Studying their parts very carefully are Carol Reynolds, Ron Jarvis, Jan Littlefield, and Sara Price.

Junior Play Creates Suspense

"FOG ISLAND," a suspenseful mystery evolved around the plot of three spies trying to steal the plans for an atomic device from a leading scientist. Scene of this year's Junior Play was in a summer house on Fog Island. Under the careful guidance of Mrs. Claytor the play was a truly intriguing presentation.

Carol Reynolds, Jan Littlefield, and Mrs. Claytor prepared Jerry Danner for his dramatic role as Mr. Williams.

Charlotte Wright holds the top open while Jerry Danner and Richard Gilman toss the body of Jim Lilly into a chest in a scene from "Fog Island".

Co - Mayans . . . Silhouettes Aid The

PROMOTING SCHOOL UNITY and spirit in sophomore girls, Co-Mayans aid teachers, counselors, and help in the presentation of school functions.

To become a member of Co-Mayans this year's freshmen girls worked hard correcting papers, donating cookies, and decorating the gym for the Christmas Dance in order to earn service points. From these determined girls twenty are chosen to be admitted to this service club.

Their first service to the school is on Freshmen Day during which they serve as guides and assist teachers in enrolling incoming Freshmen. They also serve refreshments at the Big and Little Sister Party.

Some of the Co-Mayans performed a flapper dance reminiscent of the Twenties at the All Girls' Revue, "Flashbacks." Another of their activities was their annual beach party held early in the summer where the girls finally got a chance to relax in the sun and sand.

SERVING OUR SCHOOL, Silhouettes, junior girls' service club, aided the school whenever possible by acting as open house guides, graduation honor guards, and Senior Tea hostesses.

Silhouettes also co-sponsored the Valentine Dance, and the Hi-Dance, which is always the first dance of the year.

Membership in Silhouettes is offered to top sophomore girls, based on service points which are earned by doing services for the school and for the Faculty. Grades and overall enthusiasm, as shown in their freshman and sophomore years, are also a part of the selection process.

Silhouette can be identified by their club blouses which are white, and by their emblem which is black with yellow letters. The girls wear black skirts with their blouses.

There are approximately twenty-two girls in this organization, all working to fulfill their obligations to their club and to their school.

Row 1: L. Daniels (Vice President), D. Palmer (President). Row 2: Mrs. Novak (Advisor), J. Smith (Secretary of Publicity), C. Lenderman (Girls League Representative), G. Paredes (Secretary), B. Lewis (Treasurer).

EASILY RECOGNIZED by their white overblouses with turquoise-blue and black emblems, over which is worn a black and gold key, are the members of Civettes. Civettes carried out various goals under the leadership of Mrs. Novak, advisor, and Donna Palmer, president. They strive to fulfill their main purpose of rendering service to others in every possible way, whether it is ushering freshmen on opening day or showing parents to the various departments on the night of Open House.

Highlights of their social calendar were their clever Civette Week and their after-game record dance, formally known as the Varsity Drag, which was held on February 26th. Civette members also provided each teacher with a beautiful corsage during the Yuletide season.

Besides earning money for their treasury at the dance, the club sold "winner suckers" for a dime, which were monogrammed, "Lick Covina."

At the end of the school year, thirty junior girls will be chosen for their outstanding service to replace the out-going senior Civettes. At this time an installation party installing new officers and new members will be given.

Row 1: Rusty Mitchell (President), Sammy Higa (Secretary). Row 2: Mr. Simonian (Advisor), Bob Cummins (Vice President), Bill Nash (Treasurer).

STRIVING TO STRENGTHEN our school and community by following their motto, "We Build," the Key Club, under the advisorship of Mr. Simonian, does various services on and off campus.

For the benefit of "Operation Swimming Pool," members of the club sold tickets to the Booster Club Breakfast. They also donated a huge Christmas wreath for the administration office and the "Braves" sign for the wall of our gym.

Projects such as a sock hop, a bake sale, and a car wash provided funds for the year's activities. One very important activity of the Key Club was a successful Valentine Dance, which they co-sponsored with the Silhouettes, the junior girls' service club. Key Club members also donated their services by painting the school's trash cans a bright blue.

This club is open to sophomore, junior and senior boys who must first have a recommendation from each of their teachers. Their application is then referred to the club board for consideration.

The Key Club is affiliated with the Kiwanis International. It provides an opportunity for its members to display leadership and in turn provide services for the school.

PROVIDING STUDENTS with inspiration for higher standards of scholarship and broader ideals of service is the main goal of the California Scholarship Federation. Mrs. Clibon and Miss Harris, co-sponsors, guided and counseled this important campus club.

CSF is a state wide organization. The strict membership requirements encourage students to attain a straight B plus grade average. Members must also be willing to serve the school and display good citizenship on and off campus.

Members of C.S.F. work especially hard for the honor of receiving a lifetime membership. To receive this coveted award a student must be a member of the club for at least four semesters.

On November 23 a reception for the members and the installation of officers was held. An inspiring talk, "The Place of the Egghead in Our Society," was given by Dr. Stephen B. Rerchert Jr. of Los Angeles.

The much-anticipated Whittier College field trip took place in January, where those in attendance not only toured the campus but visited regular college classes. During the month of April several members were able to attend a Spring Conference in Redlands.

STIMULATING SELF-DEVELOPMENT in students interested in speech and drama, Quintillians offers varied opportunities for growth. This club is sponsored by Mrs. Glasser.

Members of Quintillians contributed to assemblies and rallies. Their outstanding assembly this year was presented in cooperation with the music department. Aspiring thespians of the club worked hard in preparation for this unique and hilarious presentation, a minstrel show.

Highlighting this year's activities was the trip to the Pasadena Playhouse. During this trip, a film showing behind-the-scenes action and a live presentation of "Of Thee We Sing" were presented.

An annual event is the installation banquet held at the end of the year. The main entertainment is the side-splitting after dinner speeches.

Lettermen . . . Choreographers Provide

PROMOTING SPORTSMANSHIP and assisting in school projects are the aims of the Baldwin Park Lettermen's Club, which is composed of athletes who have earned a Varsity Letter.

Faculty-Lettermen Basketball games coupled with the organization of a beach party were only two of their activities completed under the guidance of their advisor, Mr. Bob Musick, and Lettermen President, Kent McWhirter.

Activities were brought to a close when the Lettermen were honored at the annual recognition banquet.

At the beginning of the first semester the officers are chosen for the Lettermen's Club. Officers for the school year were Kent McWhirter, president, Mike Haffner, secretary, and Jim Elwood, treasurer.

The Lettermen can be identified by their club sweater, which is worn with great pride. The sweaters are gray with the year of graduation on the sleeve and the Lettermen's monogram on the left front side.

ENCOURAGING SELF-EXPRESSION through modern dance is the ultimate goal of Choreographers, the modern dance club of Baldwin Park High School. The club is under the direction of Mrs. Curran.

This year an All Girls' Revue skit was performed by the Choreographers. The skit was based on a girl's dream. As this girl dreamed club members performed its various phases. Sometimes she was a terrifying Chinese dragon, an exotic peacock, a bunny, or a mermaid.

Throughout the school year the club attends symposiums. These symposiums are held at various local high schools and provide opportunities for the girls to demonstrate their dancing techniques.

Fund-raising activities included a car wash held by the club.

Girls petition and then try out in order to become members. Soon after the tryouts a banquet is held honoring both new members and newly elected officers of Choreographers.

Row 1: C. Yates (Secretary), R. Rask (Vice President), R. Green (President), Mr. Clemmer (Advisor).

AUDIO VISUAL CLUB members often play an important part in the science and social studies classes of Baldwin Park High School by distributing and presenting class films. The A-V boys work dauntlessly during class time and after school. Mr. Clemmer acts as their advisor and instructor.

The auxiliary help provided by this group to the various departments of the high school allows the classroom teacher to devote his full attention to the unit of instruction he is presenting to the students in the class at any particular time during the school year.

The public address system, lighting equipment, and films shown at assemblies and rallies are all operated and maintained in good working order by the Audio Visual Club.

The A-V Club is a service organization through which boys can learn much about the field of audio visual classroom aids.

Each semester a different group of officers is elected by the club membership. The first semester it was headed by Royce Green and during the second semester the gavel was handed to Dave Shaw.

BUILDING INTEREST in medical careers for girls at Baldwin Park High School is the main purpose of Nightingales, the future nurses club. Mrs. Griffin, the school nurse, is the club's advisor.

The future nurses toured General Hospital in Los Angeles during this year's activities. On this tour they became acquainted with the many duties of a nurse. A tea was given by the San Gabriel Medical Women's Auxiliary feting the future nurses of both Baldwin Park and West Covina High Schools. The Nightingales agenda also included guest speakers whose talks were thoroughly enjoyed by the membership. Funds were raised for this year's activities by means of a bake sale the first semester and a car wash the second semester.

The main inspiration for the future nurses is Florence Nightingale whose name the club bears. Members strive to live up to her example and to pattern their lives after hers.

Row 1: J. Patten (Secretary), S. Walker (President), A. Allen (Treasurer).

S.P.Q.R. ENCOURAGES interest in the Latin language and in the history and culture of the Roman era. Sponsoring the Latin Club is Mr. Jack Christopher.

The Latin Club is affiliated with the Junior Classical League which is a nation-wide organization. The title for the Latin Club, S.P.Q.R., is an abbreviation used in the time of the Roman empire for the Senate and People of Rome.

Each school year the club holds a Roman banquet. The members don Togas, the dress of the Roman Empire, and eat food served in the Roman way. The fact that the Romans did not use silverware poses a problem for many club members.

Membership in S.P.Q.R. is open to all students of Baldwin Park High School who have taken Latin or who are in the process of completing a course in the Latin language.

This year's fund raising activities included two sock hops which were also co-sponsored by the Spanish Club, Los Companeros.

STRIVING TO REACH a better understanding of the Spanish language and its background is Baldwin Park High School's Spanish club, Los Compañeros.

Los Compañeros is co-sponsored by Mr. Gossman and Mr. Sowa. The club surpassed the usual taco party most Spanish clubs have with an Enchilada party.

A trip to the fabulous Padua Hills in the Claremont foothills was anticipated to have been one of the highlights of this year's activities.

This year the club planned two sock hops in co-sponsorship with S.P.Q.R., Baldwin Park High School's Latin club.

Los Compañeros is undertaking a perpetual project this year, a language lab. This will benefit students studying all languages that are taught at Baldwin Park High School.

The Spanish club is open to all students who can speak the language or who are currently pursuing a course in the Spanish language.

PROSPECTIVE TEACHERS among B.P.H.S. students composed the Future Teachers of America. They are under the capable leadership of Mr. Lofgreen, advisor, and Joline Smith, president. F.T.A. encourages students planning to enter the field of teaching by providing various programs of interest. The installation of members in September and January remained a memory for new F.T.A.'s as older members royally initiated them into the club. Membership is offered to those persons who obtained an A, or B average in academic subjects at school. As a member of the National and California organizations for the future teachers, the F.T.A.'s attended informative conferences, enabling them to exchange ideas with other schools. Highlights of the 1959-60 year have been, field trips, guest speakers, films, and classroom observation. A trip to the Annual Future Teachers Conference at the University of Southern California, was an extra treat.

DEVELOPING STRONG AGGRESSIVE LEADERSHIP is one of the chief objectives of FBLA, the national youth organization for business students in America. This organization is designed particularly for those students who are looking forward to careers in business. Members learn how to lead and participate in group discussions, preside at meetings and conferences, head and work on committee assignments, work effectively with others and participate in desirable activities which contribute to the development of leadership qualities.

Sponsors for the club are Miss Barker and Miss Paddock with Mr. Parkhurst and Mr. Post, Business Education Department Coordinator, assisting.

Membership in FBLA is open to junior and senior students taking at least two courses in business with a C plus average. Members attended the regional conference at Ganesha High School and the State Convention at Long Beach. FBLA's annual dance, this year a Hawaiian Luau featuring Don Alexander and his combo, was its major fund-raising activity.

Each year the chapter offers awards in typewriting, shorthand, and bookkeeping to outstanding students at Baldwin Park High School.

SERVING OTHERS through self-development is the purpose of Harvesters, an outstanding club on campus.

Activities of the club are designed to increase personal awareness of life's opportunities for kindness, consideration, and fulfillment of our responsibilities to one another.

Twice monthly, thirty or forty members meet in a spirit of mutual help. During the past year a deepening clarification of goals and objectives has been achieved. A new Constitution has been adopted; program activities have been united to include a greater variety of sources; and a broader range of experiences has resulted.

Next year, with a renewed emphasis on the development of moral, spiritual, and ethical awareness, the Harvesters expect another period of vigorous growth. Advisors for Harvesters are Mr. Patrick Shields, Mr. Lofgreen, and Mr. Hudlow.

ENCOURAGING AND REWARDING individual achievement in student journalism based on high educational and journalistic standards is the main objective of Quill and Scroll, the international honorary society for high school journalists.

This international honorary society has over sixty-nine hundred chapters located in nearly every state in the Union, Puerto Rico, Canada, and Australia. One hundred twenty thousand young journalists, from schools which are outstanding in the quality of their publication work, wear the badge of the Society. Quill and Scroll Society sponsors contests in various fields of creative work. The society was organized April 10, 1926, by a group of high school supervisors for the purpose of raising standards in the field, and in directing the course of high school journalism.

To be eligible for membership a student must be a junior or senior, in the upper third of his class and he must be doing superior work in the field of journalism.

This year Charter members were initiated at USC in March following regular "Journalism Day" activities. Initiation of additional members for late Spring is planned with a banquet to follow at Johnny's No-Bone Steak House. Advisors are Mr. Pat Shields and Mr. E. B. Post.

THE BALDWIN PARK California Cadet Corps was organized in 1957, at the request of students, to provide the high school with a course in military instruction as an integral part of the school curriculum.

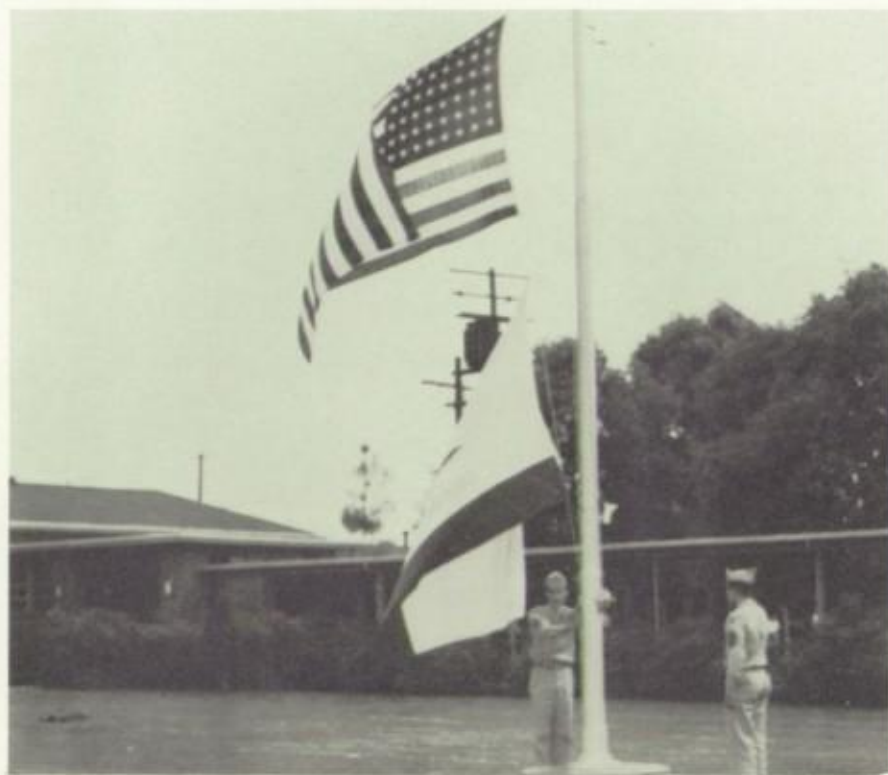

The Corps' objective is to develop citizenship, scholarship, and leadership among the cadets, providing them with a basic military knowledge. This may prove to be helpful to them in the event that they should serve at a future time in one of the armed forces of the United States.

Company "A", 118th Battalion, is under the command of Captain W. R. Wenner. Every Thursday the boys were dressed in their smart looking uniforms. They participate in the flag raising ceremony each morning before school begins. As a service to our school they are guides at Open House and on patrol during the football games. They also provide us with color guards during our rallies.

A visit to Camp Pendleton Marine Corp Base was made by the entire group to observe the latest military equipment.

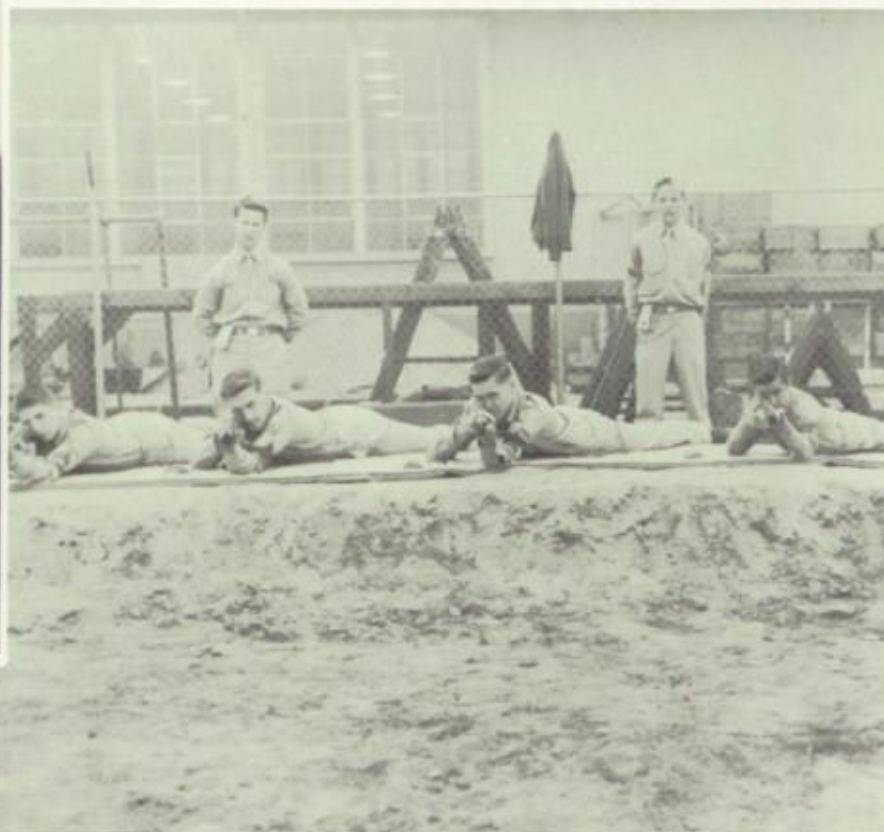

The Rifle Team has been to USMCSD, Barstow, to compete with other schools for their marksmanship. Special awards are given for outstanding marksmanship.

Allen Wilkins
Drum Major

THE BRAVES BLUE RIBBON BAND marched to victory this season, topping all other schools in the San Gabriel Valley in marching, music, and showmanship. Starting the season they performed at football games, working out such themes as Red-Letter Days, Parade Competition in which Covina also participated and, of course, the traditional Homecoming.

Marching to the "Spirit of America" they won Sweepstakes in the Azusa Golden Days parade with a score of 92.4.

Invited to the First Hawthorne Invitational Band Review, they won the Commanders Perpetual Sweepstakes Trophy with a score of 94.85, the Mayor's Trophy for the highest music score, 480.5 out of 500, and the first place award for "A" bands. Allen Wilkins received the first place trophy as Drum Major.

The band under the direction of Mr. Robert Greenwell was invited to the West Arcadia Invitational Band Review and received a third place award in class "AA" within one point of the sweepstakes winner. A new record was set as they received the highest composite score in the band's history.

The Fifth Annual Corona Invitational Band Jamboree climaxed the season. Baldwin Park placed second with a score of 90.75, the highest score achieved in their five years participation in the Corona Jamboree.

BRAVETTES PRECISION MARCHING skill led them to glory. Starting the year they captured first place at the Azusa Golden Days Parade and the First Invitational Hawthorne Parade. Following the band, they are graded as a separate unit and scored on marching skill, routine, grooming and over-all effect. At the Arcadia Invitational, competition was stiff, but the drill team was rated among the best.

The Corona Invitational Band Jamboree, one of the biggest events of the year, saw the drill team and band combined into one unit. Merging music with marching the Braves Band and Drill Team captured second place for the second consecutive year, overcoming every other unit in the San Gabriel Valley and most of Southern California.

Throughout the year, the drill team sponsored a smorgasbord dinner, and sold candy to earn money for their new sweaters.

The drill team costume consists of the traditional blue marching uniform, white boots, and blue head band, while the letter carriers and majorettes wear white uniforms studded with silver sequins, and white boots. The letter carriers wear head bands while the majorettes wear head dresses. Blue capes complete their uniforms. These are usually worn during cold weather.

In addition to parades the Drill Team participated at half-times throughout the football season.

Orchestra And Dance Band

MUSICALLY INCLINED STUDENTS were given an opportunity to delve into a variety of music comprising the orchestral repertoire of today.

Under the direction of Mrs. Jensen in the fall semester and Mr. Stubbs in the spring semester, they found their year filled with varied activities. They performed during the Christmas Assembly, playing such numbers as "Sleigh Ride," "Winter Wonderland," "Hallelujah Chorus," and the old traditional Christmas carols. The Music Festival was held in the early part of the spring. Competing against themselves, they were judged on articulation, intonation, and over-all effect. This year, for the first time, the orchestra received a Superior rating in Festival Competition.

Orchestra sold candy bars in conjunction with the band to earn money enabling the boys to rent dinner jackets for their Spring Festival, while the girls wore their own formals.

Orchestra consists of string instruments and the first and second chair instruments from the band.

Provide Excellent Music

Mr. Stubbs
Director

THE DANCE BAND offers advanced students from the music department opportunities to explore the popular and jazz fields of music. Although this was Mr. Stubbs' first year as director of the Dance Band, it is considered to be one of the finest bands developed in the last six years.

Among their many activities this year was a performance at the Pony League Banquet sponsored by the Baldwin Park Women's Club in December. Another excellent showing was at Open House in April. Following these performances were fine presentations at the Music Department Assembly, the Inagural Ball honoring the new Associated Student Body officers, a graduation dance at one of the elementary schools and the National Orange show in San Bernardino during May.

Highlighting the band's performances were Barbara Shool, soloist, and her accompanist, Joyce Scroggins, on the piano. Barbara frequently stole the show with such numbers as "Stormy Weather" and "Twilight Time."

The Braves Varsity Football team, under the leadership of Coach Bobbie Musick who was assisted by coaches Roy Cousins and Joe Morris, attempted one of the toughest non-league seasons in their history.

The non-league season consisted of a tie against St. Anthony, followed by a defeat against Santa Ana. With a record of one tie and one defeat the Braves entered their next game against Arroyo, and left the field with a stunning 20 to 6 upset victory.

Following Arroyo the Braves met defeat at the hands of the El Monte Lions. The Brave non-league season ended with one tie, one win, and two defeats.

The Braves began their league season with a win over Ganesha, followed by a defeat from La Puente; these games were followed by a win over Chaffey, a loss to West Covina, and a victory over Covina.

The Braves landed four men on the all-league team; Mike Haffner, Kent McWhirter, Ron Abbott, and Jim Elwood. The Braves ended their season as Tri-Champs of the M.V.L.

Mike Haffner received the M.V.P. award and Gary Riesner received the Rookie of the Year award.

BRAVES-ST. ANTHONY The B.P. Braves opened their season with a thrill packed game against St. Anthony which ended in a tie.

After the Braves had jumped off to a 7 to 0 lead, they found themselves trailing 13 to 7 with only 35 seconds remaining to be played in the final period. A 48 yard pass completed to Deane Curtis from Mike Haffner, put the ball on the St. Anthony 10 yard line with only 20 seconds left. Haffner carried the ball over for the score to tie the game up. A running play for the extra point fell short by inches. Final score . . . Braves 13, St. Anthony 13.

BRAVES-SANTA ANA Baldwin Park suffered its first league season defeat when the Saints overpowered the Braves in a 19 to 12 decision.

The Saints scored first, when Jackson carried the ball to the Brave 1 yard line. Farrar passed to end Longstreth for the T.D. The extra point try failed. Two more touchdowns were completed by Santa Ana in the first half while the Braves in the final period made their final score after driving inside the Saints 5 yard line.

BRAVES-ARROYO KNIGHTS In a 20 to 6 decision the Braves earned their first victory of the year. A scoreless first half appeared in the making, when with only 13 seconds remaining, Ayon intercepted an Arroyo pass and traveled 85 yards for the first B.P. touchdown. Curtis added the extra point.

In the third quarter the Braves scored again when Haffner failed to find a receiver, and moved the ball 14 yards for another T.D. Curtis again added the extra point.

The Knights made their only score in the final period with Crow carrying the ball over in a 60 yard drive.

The Braves bounced back with a 27 yard pass from Haffner to Curtis. The extra point try failed, leaving the final score Braves 20, Knights 6.

BRAVES - LIONS Baldwin Park's Braves were mauled by El Monte's Lions in a 19 to 6 contest.

After seven and one-half minutes the Lions, led by Gaydosh went over from the Braves' 6 yard line for their first score.

In the second quarter the Lions put on another drive climaxed by a T.D. by Gaydosh, this time from the 3 yard line. At the half the Lions led . . . 12 to 0.

The third quarter ended without a change in the score. However, the fourth quarter found both teams scoring. El Monte scored on a 50 yard run by Gaydosh giving the Lions 19 points. The Braves' Mike Haffner carried the ball over for the only Baldwin Park score.

BRAVES-GIANTS League play for the Baldwin Park Braves began with a 33 to 14 victory over the Ganesha Giants.

Curtis, after recovering a Ganesha fumble in the opening minutes of the first quarter, dashed 33 yards for a B.P. touchdown. Curtis also added the extra point.

In the second quarter the Giants tied the Braves with a T.D. by Farst. The extra point was added by Bronell. B.P.'s Taggart broke this momentary tie with a 76 yard run and a Baldwin Park score. Curtis added the extra point. With 22 seconds left in the first half Haffner passed complete to Taggart on the 3 yard line. Haffner scored from the 3 on the next play with Curtis making the extra point. The first half ended . . . B.P. 21, Giants 7.

Both teams scored in the third quarter. The Braves scored on a 4 yard tackle eligible, from Haffner to McWhirter.

Late in the fourth quarter, Haffner passed complete to Curtis in the end zone with a 37 yard toss. The extra point try failed, leaving the final score Braves 33 . . . Giants 14.

BRAVES-WARRIORS B.P. lost a bitter Homecoming decision to the Warriors 40 to 13. The game began with two quick touchdowns by La Puente in the first quarter. Haffner, Braves quarterback, kept the Braves in the game on a long end run into the end zone. La Puente countered with two additional scores before the half ended.

The second half again found the Warriors increasing their lead with two additional T.D.'s. Haffner made a second T.D. for the Braves in the final period when he ran around end for 14 yards. Curtis added the extra point.

BRAVES-TIGERS Baldwin Park's Braves gave Chaffey their first Homecoming defeat in nine years with a 27 to 13 victory. Haffner opened the scoring for B.P. when he carried the ball over from the 7 yard line. He came back later with another Brave T.D. from the 2 yard line with Curtis making the extra point.

Chaffey scored in the second quarter when the Tigers recovered a Brave fumble on the 27 yard line of Baldwin Park. Eldridge scored from the 2 yard line to put the Tigers back in the game. He scored again in the second half for the Tigers' final touchdown.

The Braves came back with Haffner scoring from the 11 and Curtis making the extra point. To climax the game and the night's scoring, Taggart went 72 yards in the final period for a Brave touchdown. Curtis made it three in a row when he booted the extra point.

BRAVES-W. COVINA SPARTANS B.P.'s Braves dropped an 18 to 13 decision to the Spartans. The Braves jumped off to an early lead in the first quarter, when Taggart broke free for 20 yards, and a T.D.

The Spartans bounced back in the second quarter to tie the game up.

Haffner put the Braves back in front, in the second period with a 17 yard play for a Brave touchdown, giving the Braves a 7 point lead.

West Covina took the kick off and marched down the field for a Spartan score.

The Braves led 13 to 12 going into the fourth quarter when, with a first down and goal to go, Haffner fumbled and West Covina recovered.

BRAVES-COLTS The Braves took on their old enemies, the Colts, and came out on top in a close 14 to 13 game.

Taggart intercepted a Colt pass and ran down field for a B.P. touchdown with Curtis adding the extra point.

The Colts tried hard with two T.D.'s and one extra point, the other extra point being blocked by Haffner. B.P. made the final score of the game with a completed pass from Haffner to Taggart with Curtis adding the winning point.

The Brave Bee's completed another successful season under the leadership of Coaches Paul Simonian and John Draghi. This season the Bee's had only four touchdowns scored against them and were Co-champs of the M.V.L.

Combining power with speed, the team had the ability to move the ball on the ground as well as in the air. They also had an excellent defense.

Guiding the team on the field were Quarterback Terry Machleit and Guard Jerry Sheppard, Co-captains.

VARSITY HARRIERS at B.P.H.S. were led by Larry Codling. Codling, a senior, set a new course record at Covina, as well as a new Baldwin Park High School record with a time of 8:55.7, 1.9 seconds better than the former record for the mile and eight tenths.

The varsity team lacked depth and had few runners with outstanding ability with the end result . . . an unsuccessful season. Its one win occurred against the Chaffey Tigers of Ontario. Varsity harriers ended the season in fifth place in both the Montview League and in the all league finals.

Among the Varsity runners this season were: Larry Codling, Herbert Perez, Raul Olivas, Bill Sandahl, David Alexander, Louis Molina, and John Vine.

The B.P.H.S. cross-country team was long on spirit but lacked the material necessary to make a championship team. Mr. Ed Schnell coached both the varsity and junior-varsity teams.

THE J.V. Cross-country team fared slightly better than the varsity harriers. J.V.'s enhanced their season with victories over West Covina, and Covina. Outstanding runners were: Larry Rice, Joe Molina, and Jim Hudson.

J.V. harriers captured third place in the Montview League finals and fourth place in the league standings.

BALDWIN PARKS VARSITY HOOPSTERS completed their league season with a six win four loss record. The varsity five opened their league season against Ganesha with a 76 to 31 victory. In their second game with the La Puente Warriors the Braves met defeat in a 65 to 45 contest. The Braves' third encounter of the season with the Chaffey Tigers proved more successful. Led by B.P.'s Gary Lamb, who seemed to be a one man basketball team, the Braves defeated the Chaffey five 62 to 57 on their home court. Haffner was high point man for the Braves with 17 points followed by Chuck Foehlinger with 16, and Gary Lamb with 14 buckets. The West Covina Spartans buried B.P.'s cagers under an avalanche in their fourth game of the season 48 to 31. In the final game of the first round of league play the Braves defeated the high flying Covina Colts by a score of 49 to 38.

In opening the second round of league play the Braves defeated a much improved Ganesha team 49 to 46. B.P.'s varsity controlled the courts at their second encounter with La Puente and came out on top 37 to 34. The Braves won their second game with West Covina 57 to 42 but lost the last game of the season to Covina 54 to 48.

Dave Taggart
Captain Varsity Track

Varsity Track this year was led by Captain Dave Taggart who has been an outstanding 220 and 100 yard dash runner for Baldwin Park High School. Dave set a new school record in the 220 with a time of 22:2 seconds. Another "record-breaker" for the Braves this year was Mike Haffner in the High Jump with a jump of 5 feet 10 $\frac{1}{4}$ inches. Other outstanding track men for Baldwin Park were Leon Stephens in the 120 High Hurdles and in the 180 Low Hurdles, Larry Codling was the varsity's outstanding distance runner. Steve Wood and Dale Hackney led the Braves in Pole Vaulting.

The Shot Putters were led by Jim Church with a distance of 48 feet 10 inches, and Kent McWhirter with a distance of 43 feet 10 inches.

While the Braves lost their league meets this year, we can look forward to next year and a team with considerably greater depth.

CEE TRACK TEAM members were led by Captain Tom Gray who set a new Cee high jump record that bettered BP's present varsity record. Grays jump was 5 feet 10½ inches. The Cees had one league victory against Ganesha High School with the score ending at 62⅓ to 22⅓. Other outstanding trackmen for the Cees were David Martinez, Don Fernald, and Jack Holquin. In the Cee division both Tom Gray and David Martinez will go to the C.I.F. preliminaries.

BRAVE GYMNASTS had a very successful season under the direction of former National Champion, John Draghi. Capturing all eight first places from rope climb to tumbling and running up a team point total of 83 the Braves climaxed the season by gaining their second straight League Title in the Montview League Finals. Coach Draghi's gymnasts also won both the San Gabriel and El Rancho Invitationals this year.

Rusty Mitchell led the Brave gymnasts throughout the year. Mitchell, besides capturing five first places in the league finals also made nation wide news when he took second and seventh places in tumbling and free exercise in the National AAU Invitational held at West Point early in May.

Brave managers this year were Jim Plant, Ray Colter, Ronnie Kriter, and Arrie Bachrach. Doing a good job at scorekeeping were Mary Coffelt and Elsie Barker.

The Braves squad will be losing seven outstanding seniors this year namely Ken Patterson on the Long Horse and Horizontal Bar; Sammy Higa and Nial Morgan on the Side Horse; John Payan and Ron Prisk on the Rope, and Rusty Mitchell going all-around on Free-Exercise, Horizontal Bar, Parallel Bars, Long Horse, and his specialty, Tumbling.

Ron Prisk, after breaking the school rope climb

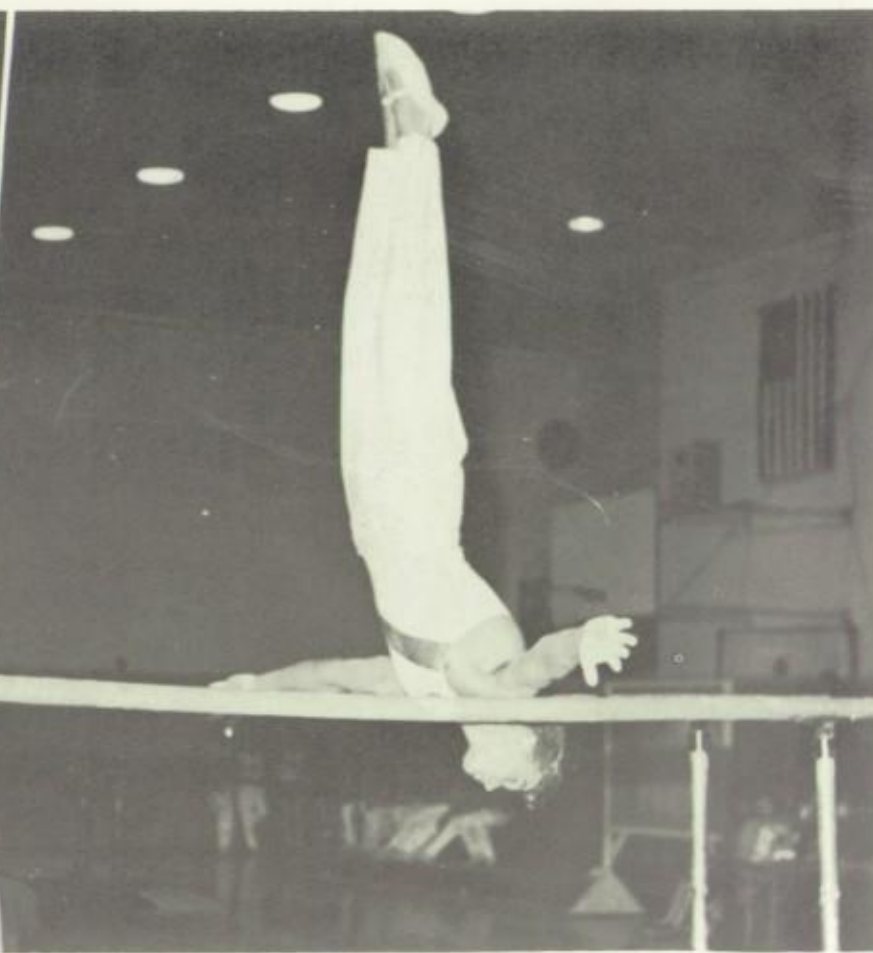

record in his junior year, set a new record this year of 3.8 seconds bettering his previous 4.1 seconds.

The Braves' outstanding gymnast and team captain, Rusty Mitchell had a very successful year. Mitchell placed high in the Senior Gymnastics Amateur Athletic Union and won the chance to compete in the Nationals. Few high schools have the honor of having one of their boys represent them at an event such as this.

Defend M. V. L. Title

John Burgess—Free Exercise Straddle Stretch

Philip Seagle—Parallel Bars Back Roll

Jeff Curtis—Free Exercise—Front Bird

The Braves had considerable depth this year in all events and have several underclassmen returning next year; on the Rope will be Ray Reyes, Orlando Reyes, Vernon Eaton, Rolland Rasco, and Sylvester Lucio; Free-Exercise, John Burgess, Bob Roman, Jeff Curtis, and

El Rancho Invitational—Tumbling—1st place—Rusty Mitchell
4th place—John Burgess

Excellent Potential Contends

William Nash; Side Horse, Don Hornecker, Bill Sweden, Mack Ott, and William Nash; Horizontal Bar, Bob Roman, Terry Siegal, Artie Armenderiz, Eddie Duckett, Bill Sweden, and Rick Staples; Parallels, Steve Wood, Terry

Siegal, Bob Roman, and William Nash; Long Horse, Jeff Curtis, Artie Armenderiz, Mack Ott, and William Nash; Rings, Bob Roman, Chuck Potter, Ray Reyes, Sendol Munger, Orlando Reyes, and Joe Calcagno;

Robert Roman—Rings—"L"

Sam Higa—Side Horse

Tumbling, John Burgess, Mack Bolinger, Artie Armenderiz, Rick McRae, Steve Noriega, and Ray Colter.

The only freshmen on the Brave squad this year were Sylvester Lucio, Rick Staples, Sendol Munger, Jerry Cursio, and Joe Calcagno. We hope to see many more of the freshmen and sophomore boys on the team next year.

Our outstanding sophomores and juniors of great potential are Orlando Reyes, sophomore, and Ray Reyes, junior, on the Rope; Bill Nash, junior, and another junior on Free-Exercise, John Burgess, who next year will be all-around for Baldwin Park. On the High Bar next year will be Artie Armenderiz and Eddie Duckett, both sophomores; on Parallels, Bill Nash and Robert Roman will lead the way. Strong Jumpers on Long Horse will be Bill Nash and Jeff Curtis. On the Rings continuously fighting it out this year were Bob Roman and Ray Reyes, juniors. Next year they will be back with Orlando Reyes, sophomore. With dazzling performances on Tumbling, Mack Bollinger and John Burgess, both juniors, will also be back next season.

Varsity . . . J. V. Netmen

Plagued by graduation losses the Braves varsity tennis team held a pre-season record of two wins, one tie, and nine defeats. Coach Ray Ekedals' netmen were unable to determine any depth beyond the first two positions, and found themselves continually losing. Captain Herb Perez, the only senior on the team, piloted

the Brave racquetmen to a 16-16 tie against La Puente, in the teams best showing. Throughout the season the team was led by Herb Perez and Ron Jarvis, who played first doubles, and could always be depended upon for a good showing.

The Junior Varsity squad, whose job it is to gain playing experience and ability, were unable to capture a league win. Showing great promise for next year were David Field and Jim Hurst.

Tennis is said to be the finest athletic test of the individual, with the greatest demand on his co-ordinated physical responses. Tennis also serves to further group cooperation since the team scores determine the outcome of the match.

Hopefully For Varsity Action

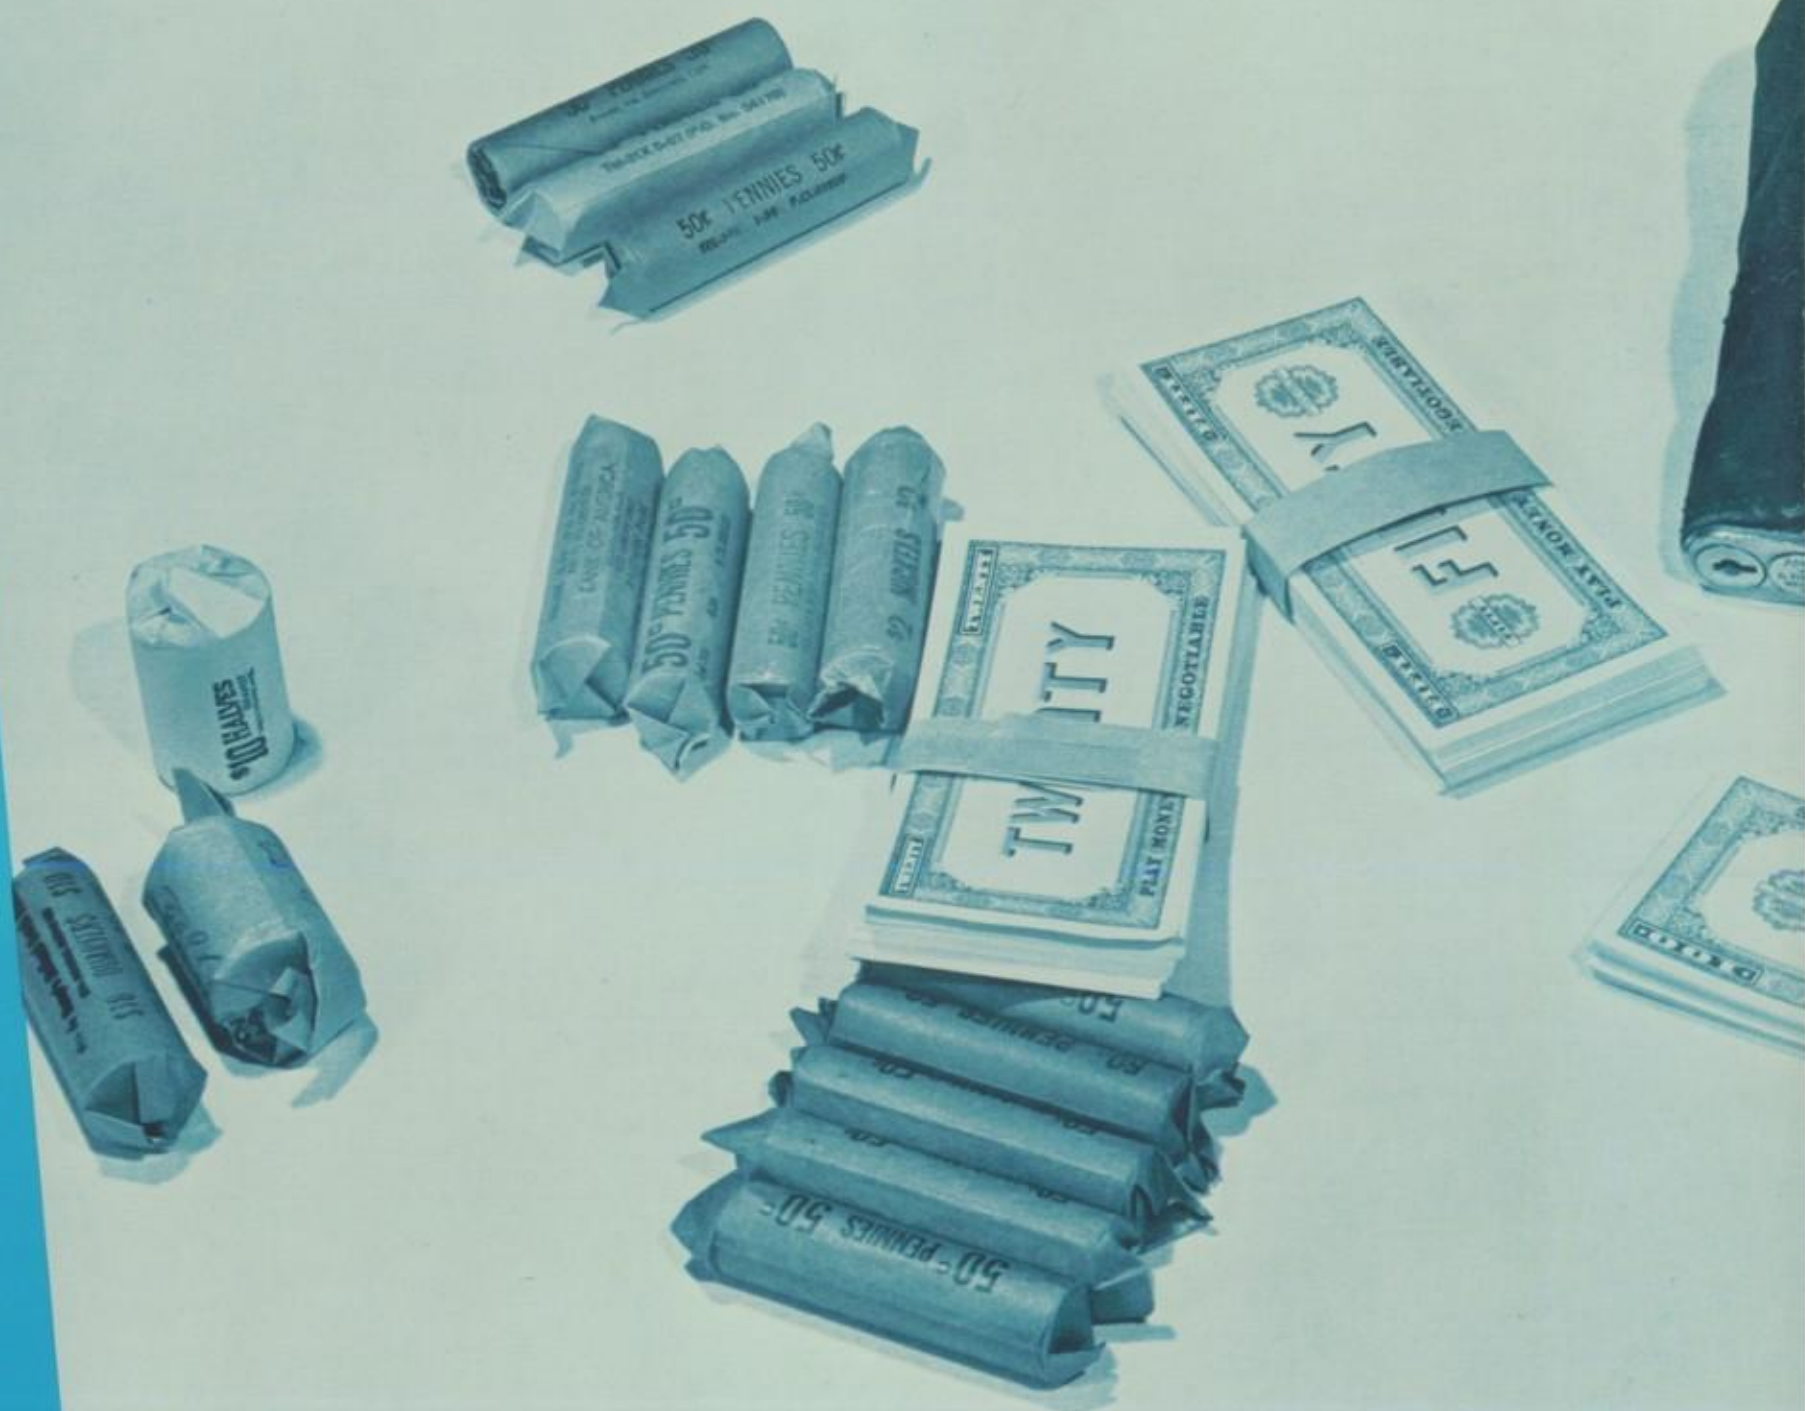

After having a very good practice season the Braves J.V.'s ran into considerable trouble in league play and managed to win only two games out of ten encounters. With victories over La Puente and West Covina, Jim Jones, J.V. coach, felt that with a little more experience and confidence the boys would give any club a good battle.

Students and Faculty
Baldwin Park High School

It is my distinct pleasure to congratulate you on your successful production of this Year Book, the first history of the activities of your high school.

It is entirely fitting that this first edition pay tribute especially to the Board of Trustees: Mr. James G. Hodges, President; Mr. Joseph F. Wood, Clerk; Mr. Truman Johnson; Mr. W. Glenn White; and Dr. C. E. Pancoast; who, together with the Superintendent, the Citizens Committee, and the many other interested people of the District helped to lay the foundation for this splendid school.

The present Board of Trustees, whose names appear on this letterhead, have intelligently and unhesitatingly carried on with the philosophy laid down by their predecessors as new buildings and greater services are and will be added to the plant.

No tribute to public education can be complete without acknowledging the efforts of many citizens who gave of their time and who, by their vote, were ready to assume the necessary financial obligation in order that their children might have the educational opportunities they justly deserve.

I, therefore, join with you in congratulating the people of this area in their generosity. I hope that we may take full advantage of the opportunities afforded us and trust that this new high school will take its place in the great free educational system of our country.

Sincerely,

Stanley B. Shaver

To the Students and Staff
Baldwin Park High School

On November 22, 1950, I had the honor of administering the groundbreaking ceremony for the Baldwin Park High School. With the exception of a small group of houses to the north, the entire area was devoted to farming. The site, itself, was an orange grove.

At that occasion, it was mentioned that future production would be of an entirely different nature. It was also indicated that these crops would have inestimable value, not possible to measure in dollars and cents, but in terms of living contributions to future society.

Your present senior class is the seventh vivacious harvest from the Baldwin Park High School, 1456 graduates having preceded you. Your school now has the distinction of being the oldest of the six schools in the union high school district, where only four years ago it was the newest.

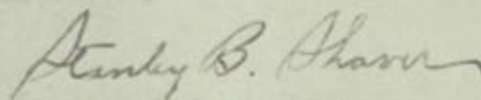

In your Sagittar of 1952, it was my distinct pleasure to pay tribute to the first student body of your school and to recognize the incomparable contributions of the many people who had a part in its planning and development.

Over the years, it has been the considered policy of boards, administrators and teachers to provide the best possible educational opportunities for you, the students. However, the accomplishments and successes you have had, either as individuals or as an institution, have been almost entirely dependent upon your own desires, attitudes and ambitions.

As the Covina Union High School District comes to an end on July 1, 1960, I should like to congratulate the instructional staff and the students for their achievements thus far. That great things have been accomplished cannot be denied, but I would be avoiding the challenge if I did not say to you that progress does not stand still and that tremendously greater traditions and objectives must be in store for the future.

Supported by almost a lifetime devoted to education in this area, it is my genuine desire to pass along to all associated with the Baldwin Park High School best wishes for the brightest of futures as they roll forth from beyond the great educational horizon.

Most sincerely,

Stanley B. Shaver,
District Superintendent

Enjoying a rare moment of relaxation Virginia Delgado, Sagittar Editor, tells Joe Naranjo of her yearbook dream . . . "completion and delivery of B.P.H.S.'s Sagittar."

Editor's Farewell

Speaking on behalf of the Sagittar Staff, I can proudly say that we have truly enjoyed creating this year's edition of the Sagittar, "The Verdict is Yours." To leave something behind that has grown to be a part of one is always despairing.

We leave the responsibility for the future to you, the students of BPHS. This is your school — work for what is right and best. Support your Silver Streak, your Sagittar — all school activities. Enter competition with a spirit of true sportsmanship and the desire to win.

Many worth-while accomplishments have taken place this year. These have been achieved through the co-operative efforts of working with and through the Student Body and its leaders. Your co-operation and support have brought about these accomplishments.

With each passing day comes the realization that graduation for the members of the class of 1960 is drawing closer, thus ending my wonderful year as Sagittar Editor.

During this period, I have met and made everlasting friendships with many students and teachers. After seeing these people around campus day after day one is left with a feeling of nostalgia when I realize each of us must move on to meet life's new challenges.

Our many goals are reached through various helping hands. At this time I would like to give special thanks to those who were responsible for creating your book of treasures.

As associate editor, Sherry Walker did a wonderful job. May her efforts enable her to reach her life's goals. The many hours of work she put forth on the Sagittar are greatly appreciated. Coming to school in the early morning to attend club meetings was our organizations editor, Monnie Lenderman. Assisting her was Nancy Douglas. Both of these staff members spent many precious hours making writeups for BPHS clubs and organizations.

Ticking away at the typewriters were Deana Mullen, Diana Sutton, and Linda Taylor. Looking through your Sagittar you will find lively copy on each of its pages. Proofreading these numerous pages were Donna Grant and Mary Volz. Countless gaps were filled in by Carol Yost.

Our sports editor, Bruce Lonie completed a monumental task, the sports section. He provided coverage on the various sports events and recorded a seasons memory of victories and challenges. Snap, snap went our photographers Gary Welborn, Clayton McKinney and Gordon Brizendine. They were always ready for action with their cameras. I think I can truthfully say that every member on the staff worked to the best of their ability to uphold the name of our yearbook, "Sagittar."

Many thanks to you Mr. Kundrath for your unceasing efforts on our behalf as yearbook photographer. Thanks to must also be given to Mr. Walter Hubbell and Mr. Will Loe and their staff at Yearbooks Inc., publishers of our Sagittar.

With the help of our advisor Mr. Post we have thoughtfully completed our final pages and have turned out a more comprehensive and, we hope, a more interesting yearbook. May you treasure it as we shall treasure the memories of our year of composing it. Remember, throughout your future undertakings, "It can be done," your accomplishments are unlimited!

Yours sincerely,
Virginia Delgado
